T.P.M. New referral program

As with many businesses, TPM has counted on conventional methods to draw in new customers such as print advertising, social media, community events, etc. After all this, our greatest success in gaining new and honorable students has been word-of-mouth recommendations. With this thought, we are asking for your help and are ready to reward you for your thoughtfulness as follows: For each new person recommended by you, who registers as a full-member after the \$29 Introduction Package we will credit you \$15 to be used towards tuition, testing fees, or for TPM merchandise. I hope that you will participate in this program and find it helpful to all involved. It will greatly help to the well-being of TPM, you and others by introducing them to TKD, a “way of life.”
